**ANNUAL MEETING
COVER CONTEST**

Beginning in 2005, we have had the students from Grades 7 & 8 design the cover of our annual meeting booklet each year. This year's winner is:

Trinity Shaw

Trinity won \$75.00 and a ticket for herself and her family to attend our annual meeting supper. All of the students received a token from the Credit Union for submitting entries. We would like to thank all of the students for their effort and creativity. As well, thanks to Mrs. Jackie Duford for assisting the classes.

REGISTERED PLANS

The Declaration of Trust will be updated as of April 1, 2023 for the following programs:

- Bruno Savings and Credit Union Tax-Free Savings Account
- Credit Union Retirement Savings Plan
- Credit Union Retirement Income Fund

Please visit our website at www.brunocu.com or contact the Credit Union for an updated version.

The change to the plan was required to meet legislative requirements; however, it will not affect the day-to-day operation of your TFSA, RRSP or RRIF.

**FIRE INSURANCE NOTICE
TO ALL MORTGAGORS**

All members who have a mortgage on their homes held by Bruno Savings and Credit Union Limited have a responsibility to maintain adequate fire insurance on their property. The loss payable clause in the fire insurance policy must be made payable to Bruno Savings and Credit Union Limited.

CROP INSURANCE

Starting in 2023, Sask. Crop Insurance customers will see an individual premium calculated for each crop they insure. Premiums are individualized based on a producer's personal claim history compared to the area risk zone. This adjustment (increase or decrease) from the base premium rate is calculated for each customer, and independently for each insured crop. This means, a producer's claim on one crop does not impact their premium for a different crop. Premium discounts and surcharges previously used in the Crop Insurance Program are discontinued.

March 31, 2023, is the last day to apply for Sask. Crop Insurance. Visit their website: <https://www.scic.ca> or call them at 1-888-935-0000 for more info.
