CARDWISE

Our Collabria credit card is now offering a new site called CardWise where you can view your card transactions. It is an app that can be installed on your phone or be used as a web portal for personal Collabria cards or business cards that are Individual Pay. You will need to be sure that your email address is current with Collabria. If it is not current, please call the phone number on the back of your card (1-855-341-4643) to update. This site is replacing MyCardInfo if you are already registered for that site. Both sites will operate for now. Through CardWise, you can activate your own card and set your own PIN.
