Each year we offer a \$750 scholarship to the Grade 12 students of Bruno and the surrounding area. We ask them to write an essay to express what value the Bruno Credit Union has to them and to their communities.

The winners will be announced at their graduation ceremony. We wish all the graduates the best of luck in all their future endeavors!

The Credit Union must really like me. They keep telling me that my loan is outstanding!

Why is dough another word for money? Because everyone kneads it.

My dad always said to me, "Work until your bank account looks like a phone number," so I did.

Why did the tightrope walker go to the Credit Union?

To check his balance.

Did you hear about the frog that robbed a Credit Union? I guess you can say he Kermitted a crime.

Why didn't the skeleton rob the Credit Union? He did not have the guts to!
